

ABOUT THE FOUNDATION

The East Rochester Alumni Foundation is a 501 (c) (3) "Public Charity" whose primary focus is "to be the organization through which alumni and other friends of the East Rochester School District collectively encourage and support programs which promote excellence in education and encourage motivated students to discover and pursue their full potential".

Using funds received from individual donations as well as from various fundraising activities, the Foundation provides "Excellence in Education" grants which benefit East Rochester students.

Since 2007, the Alumni Foundation has underwritten over \$262,000 in support of grants and projects which were determined to be consistent with our goals and Charter of Incorporation.

While administering grants is our primary purpose, we do other things as well. The Foundation has become the place where alumni and friends of the East Rochester Schools come to get up-to-date information, search for old friends, organize reunions and keep in touch with what's going on in East Rochester.

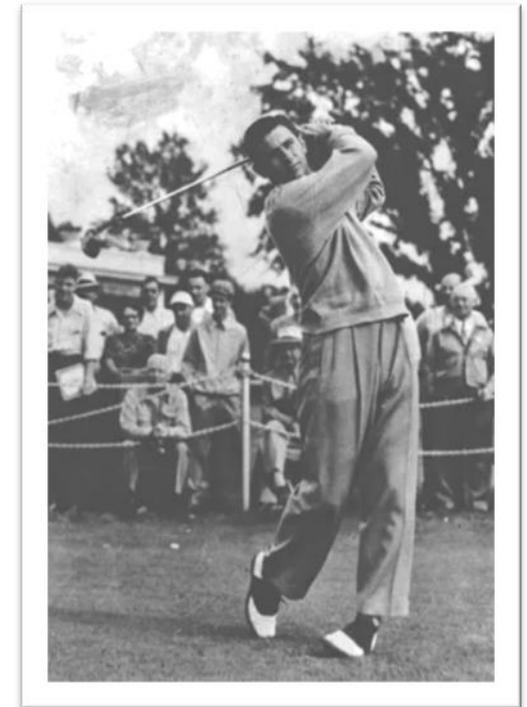

This SUAC Golf Tournament honors our dear friend and founding board member, Sam Urzetta. Over the past seventeen years it has become a very popular summer event and continues to be our major annual source of operating funds. Thanks to you and our generous sponsors, we are able to continue serving the students and Alumni of East Rochester throughout the 2025 - 2026 school year and beyond.
